

FOUNDERS DAY 2011

Scout Founders Day Trophy Challenge

The Scout Patrol Challenge for Founders Day will include these scouting skills

- **Tent pitching**
- **Fire Lighting**
- **Pioneering Skills**

Gear required per patrol *

1x Basic square canvas Scout tent 9'x9', 10'x10', 12' x12' etc. + 2x Mallets

1x Dome style hike tent.

Matches

1x Cup per patrol member

1x Spade

1x Small axe or tomahawk

1x Billy capable of boiling 750mls of water [size of a standard water drink bottle]

1x Pulley or Karabiners in lieu of pulley

4x 2 -3 metre pioneering poles

Smaller poles and ropes to construct small platform to be slung over river via the Pulley and rope containing your **STUFF** [Hike Tent, Axe, Spade, Mallet & Billy]

8-10 x large tent pegs

Ropes: Sufficient rope to sling traverse river 10-15metres across to transport your platform & **STUFF** and guide it across.

Lashing ropes to make and support 2x 'A' frame Shear-legs

Full instruction will be given on the day but you should be able to get the drift of what the challenge will entail.

You will be marked on:

- Completing the tasks in the time allocated.
- Your tent pitching
- Your fire lighting
- Your Patrol work
- Your Pioneering skills
- Initiative and innovation

* Notes: If the Troop is sending more than 1 patrol then a single Canvas tent can be used by all your patrols for the Tent pitching but each patrol will still need a separate Hike Tent.

There will be spare Karabiners if troops haven't got any pulleys/Karabiners etc.

Rope across the river must be able to support weight of approx 20- to 30kgs.
