

## Competition for all Youth of SCOUTS New Zealand

Bear Grylls is coming to New Zealand and this is your opportunity to meet him!!

As many of you will have noticed in the media this week, Bear Grylls, Chief Scout for the UK SCOUT Association and global adventurer, is due to be in New Zealand in just a few weeks time.

I am very pleased to announce that SCOUTS New Zealand will have an involvement.

At this stage, Bear is appearing in two very special events in Auckland and Wellington on 2nd and 3rd March respectively.

I have a fantastic opportunity for **four** youth members to join me and our very own Adventure Plus Ambassador, Mark Inglis, at a VIP function (2 youth at each) in either Auckland (2nd March) or Wellington (3rd March) to meet Bear Grylls.

This is what you will need to do;

- ✓ You will have to be very quick. **Closing date is Thursday 17th February.** This is a very quick turnaround due to the need to organise flights and the last minute nature of events such as this.
- ✓ You **do not** have to be an Auckland or Wellington resident to enter you can come from anywhere in New Zealand!
- ✓ Send an email to the National Secretary, Murray Charlesworth at [murray@scouts.org.nz](mailto:murray@scouts.org.nz), telling him the most adventurous thing that you have ever done and how SCOUTS has changed your life. **Include full contact details including preference for event location.**
- ✓ You can be a youth member of any age. If the winners are under 16 years of age I will ensure that a parent or leader travels and attends the function with them.
- ✓ Applications will be considered by the National Secretary and successful applicants will know on Monday 21st February

If you do not wish to enter the competition but would like to purchase tickets as a member of the general public you can do so at the following; <http://www.dashtickets.co.nz/event/bjs5wk1tc> but you will have to be very quick,

I look forward to finding out who has won!:)

Chris
